## BACKGROUND

Because of their relatively small budget and the high cost to fund tours, the Villanova Singers have dramatically reduced domestic touring. As touring has always been viewed as the most cherished of rituals, generating camaraderie, memories and stories of the road, the alumni were shocked and disappointed that the tradition had fallen away. To resolve this concern, The Villanova Singers Endowment Fund (VSEF) has been established to help revive Singers domestic tours.

The VSEF has been established in coordination with Villanova University, the Board of Trustees, and President Father Peter Donahue in order to provide a vehicle for Singers alumni to make donations specifically directed towards supporting Villanova Singers tours. 100% of the donations will go directly into the VSEF.

In 2014 the scope of the VSEF was expanded with an amendment to the Fund to include funding for incremental activities including international touring and defraying operational costs of future Legacy events.

## HOW THE ENDOWMENT WORKS

The principal amount accumulated in the VSEF will never be touched. The managed returns from the VSEF will be used to provide the Singers with annual distributions for touring - in perpetuity. This amount has been set at 5% per annum of the principal amount.

At the Legacy 2008 Saturday evening ensemble concert, President Father Peter Donahue announced that there had been an anonymous donation of \$100,000 from a Singers alumnus, thus starting the evening halfway to the initial VSEF \$200,000 goal. Before the end of 2010, we reached the initial goal of \$200,000, and in Spring 2011 the VSEF funded its first weekend tour. The current endowment level will now fund one weekend tour per season, for every season to come!

The VSEF is governed by strict bylaws which prevent the University from re-allocating funds away from the Singers annual operating budget towards other programs. The usage of funds will be overseen by the VSEF Board of Trustees, who will recommend the annual distribution to the Singers for touring.
