

Repertoire

This page offers you:

1. The ability to download and listen to some Villanova Singers "classics." You can also listen to several Spires selections, plus Perfect Union barbershop quartet favorites.
2. A comprehensive listing [or at least a start!] of the entire Villanova Singers repertoire over the decades. If you find a song missing please email us with your submission and we'll get it on the list.
3. Problems playing the music? There are many different browsers out there including Mozilla, Internet Explorer, Chrome, Maxthon, Safari and Edge to name just a few. Each has its own peculiarities and may not be able to play the music when you click on the icon. If this happens, try downloading the song first, then try to play it from your computer. This way, you will use the music application installed on your computer rather than relying on your browser to choose what it thinks is possible.

And here and here are links to hundreds of songs we will surely cover during the Legacy Afterglow sessions later Friday and Saturday evenings. Go here and here to download onto your iPad or mobile phone or print out. Warning, these are two BIG files!
